1. Chairperson

The Qualities of a Chairperson

- The Chairperson is a leader and a manager. They must have:
 - Dedication – the Ladies Gaelic Football Association, the County and the Club must come high in their priorities
 - Knowledge – must know what the LGFA is about and become familiar with the LGFA Official Guide
 - Power of Persuasion – not as a dictator but must be able to motivate and handle people
 - Integrity – the Chair represents the County/Club
- The Chairperson should be someone
 - who has time to do the job
 - who has a genuine interest
 - who has leadership qualities

The Chairperson holds a key position. As Chairperson he/she is responsible for the efficient working of the County/Club Board as well as the Sub-Committees. To achieve this they must be prepared to lead and inspire confidence in those around them. They must be prepared to use initiative and to remember that good relations must exist to get the best possible return for all members. The Chairperson should make every effort to project a good image and lay a proper foundation by ensuring that all players and members act with a proper sense of sportsmanship at all times. One of the Chairperson's main duties is to see that the business of meetings is carried out as well as possible.

Key Responsibilities

- 1) Uphold the Constitution of the LGFA, through knowledge of The Official Guide and County Bye-laws

- 14) Focus on the future and involve others in planning on the basis of selected priorities
- 15) Liaise with Secretary on a regular basis
- 16) To liaise with and keep in touch with the Provincial/County Board

Meetings

The Chairperson has more authority than any other member of the committee, the responsibility for seeing that the meeting achieves its purpose rests with the Chair.

- Ensure that the meeting is effective, guide rather than lead the officers
- Prepare or obtain an agenda for all meetings, and familiarise with this agenda prior to the meeting

- Decide what items are priorities of the meeting and leave less important matters to be decided at a later date if necessary
- Arrive at the venue of the meeting before the appointed time to discuss the agenda with the Secretary
- Keep to the point and see that others do likewise. Do not allow talkative members to dominate the meeting
- Close the discussion on a subject when it has gone on long enough. Summarise the points made and make sure that members understand the decision(s) they are taking
- See that all speakers address the Chair and do not engage in cross-talk with each other. This formality should be followed even at small committee meetings
- Be tolerant to reasonable interjections but prevent excess heckling
- Adopt a neutral attitude and remain impartial especially where a matter is contentious
- Take follow-up action following the meeting (in close liaison with the Secretary)

Development Plan

- Each County is recommended to develop a plan to outline the strategies for the continued growth of the game
- The Chairperson is responsible for setting up of a Development Plan specific to County/Club needs for the coming year – it is recommended to develop a 3 year plan
- The Chairperson is also responsible for ensuring the Development Plan is implemented

Code of Ethics and Good Practice for Young Players

- The Chairperson should ensure they have a good knowledge and awareness of the Code of Ethics
- The Chairperson must sit on the Disciplinary Committee should a complaint arise
- Ensure confidentiality is employed at all times when dealing with a complaint

1.1 Vice-Chairperson

As the title denotes the Vice-Chair is an assistant to the Chairperson and should be familiar with all functions attached to the position of Chair.

It should be regarded as training for a future Chairperson.

The Vice-Chairperson should be given specific duties, apart from taking the place of an absent Chairperson, such as Chairperson of a Sub-Committee.

Key Responsibilities

- To shadow the role of the Chairperson
- Should have the ability to chair meetings
- Should be up to date with all current information, at Club, County, Provincial and National level

2. Secretary

It is essential that the Secretary works as a team with the Chairperson. The Secretary is involved with the practical running of County/Club affairs.

Qualities of a Secretary

- Good organiser
- Efficient
- Logical
- Tactful
- Reliable

Key Responsibilities

1. Deal with **correspondence** from County Board, Provincial and Central Council
2. Deal with and sign **Transfers** (Inter-Club and Inter-County) and **Sanctions**. These forms should be forwarded to the relevant body.

Inter-Club Transfer within County – sent to County Board

Inter-Club/County Transfers within the Province – sent to Provincial Council

Inter-Club/County Transfers outside the Province – sent to Central Council

Summer Sanction forms must be forwarded to Head Office for approval

Inform Head Office of return of players on Summer Sanctions to Ireland

3. Ensure players have correctly completed **Injury Forms**, ie all sections are completed, all information is correct and all signatures are obtained. When the form is in order, it should be signed and forwarded immediately to Head Office, Croke Park
4. Ensure that all players, on medication, have completed **Anti-doping Forms** (available from the Irish Sports Council). Underage Players must complete the Parental Consent Forms, which are forwarded to Head Office, Croke Park
5. Prepare **Annual Secretary's Report** for AGM – this is a very important report as it outlines the County/Club's annual progress, work load completed and achievements met

6. **Code of Ethics and Good Practice for Young Players** – Should a County Secretary receive a Code of Ethics complaint, they should follow the correct procedure as outlined in the Code of Ethics and Good Practice for Young Players booklet and pass the complaint to the Chairperson or Children’s Officer. Confidentiality is vital and should be maintained at all times. Notify the Children’s Officer of new Mentors involved with County/Club Teams, and of Away Trips in sufficient time for Children’s Officer to issue the relevant Permission Slips
7. **Challenge games** – permission should be sought from the relevant body
Challenge within the Province, permission is sought from Provincial Council
Challenge outside the Province, permission is sought from Central Council
Permission should be sought in writing, outlining team details, venue, date and time, before close of business on Friday before the game
8. Notify Clubs of **information from Head Office**, Croke Park. This should be dealt with **immediately** rather than holding the information for a County Board meeting
9. **Fixtures** - responsible for keeping records of matches, venues, dates and winners
10. Secretary should always have a current copy of the **Official Guide**. He/She should be familiar with the requirements dealing with Club/County Board activities.
- 11 **All-Ireland Finals** – it is a Secretary’s duty to promote the finals amongst all clubs regardless if County is taking part

County Secretaries are responsible for signing a number of official forms, ie Transfers and Injury Forms. By signing the form, a Secretary is signifying that they have read the form, that the form is completed correctly and the details on the form are correct. There should be no delay in sending forms to the relevant body.

Meetings

A Committee (Club Executive or County Board) should hold regular meetings even if at times there appears to be little done. It is helpful to specify a night, for example, the last Tuesday of each month or Tuesday of each week.

The Secretary usually calls a meeting. If held weekly, no notices are necessary unless there is something special on the agenda. In that case members should be told about it in advance so they can prepare prior to the meeting. For monthly meetings, written notices with an agenda should be issued.

The Chairperson and Secretary should meet before the meeting and go through the agenda.

An agenda should be along the following lines:

- Minutes
- Matters Arising
- Correspondence (for letters, etc. not relevant elsewhere on the agenda)
- Report from County Committee or Divisional Committee
- Fixtures and Transport (if required)
- Finance
- Fund-Raising
- Other activities
- Any other Business (only matters of minor importance to be dealt with here)

Agenda Setting

- ✓ All items on the agenda should be capable of being dealt within the time allocated for the meeting
- ✓ No one or two word items
- ✓ Matters should be in order of priority, with urgent matters first
- ✓ Allowing for urgency and importance, matters on the agenda should have a logical sequence

The Secretary must prepare the business for the meeting, i.e. get together any information that may be needed.

During the meeting, the Secretary must record the attendance of each member and apologise for absence.

The Secretary may have to assist the Chairperson in the conduct of the meeting and ideally both officers should work together to get the meeting over quickly.

After the meeting, the Secretary must write the minutes, which should be done as soon as possible. Minutes should only record what was dealt with and what decisions were taken, however the main points raised in a discussion may need to be recorded. Minutes should be written in a proper Minute book.

Úsáid na Gaeilge

If a secretary has a good knowledge of Irish, they can do a great deal to promote it in simple ways, both oral and written.

Caithear glacadh leis gurb é an Béarla an ghnátheanga ag formhór mór na mball agus gurb é fós an ghnáthmhéan cumarsáide sa Chumann.

2.1 Assistant Secretary

6. Development Officer

It is essential that all County Boards and Clubs elect a Development Officer. Development is a vital area for Ladies Gaelic Football, which requires dedicated time and work.

There are unlimited opportunities for development in every County/Club. Certain projects should be selected at the beginning of the year and these projects should be concentrated on.

All Counties/Clubs should be aiming to put a development plan in place, to aid progression over a number of years.

Duties of the Development Officer

- Know the aims and objectives of the Association – have knowledge of the Association's Strategic Plan
- To increase player participation in the County/Club
- To recruit new volunteers, coaches, referees, administrators, etc
- Work with other officers for the good of the County/Club

5. Identify all possible volunteers – teachers, students, parents, past-players
6. Work with teachers in the County – invite them to meetings, blitzes, etc

Identify Problems

Development Officers should be aware of problems at County Board level and should be made aware of problems at Club level. Officer should work with the club to identify the cause of the problem and potential solutions to the problem. Often problems may lead to re-structuring of club/County policies/procedures, and may not have a quick-fix answer. Time is key to development.

Development Blitzes

- blitzes are useful for introducing players to the game
- blitzes may be used to teach new skills
 - different variety of blitzes may be arranged
 - small-sided games, 9-a-side, 11-a-side, etc
- conditioned games, use of weaker limb, one solo only
- introduce a 'come and try it' aspect to blitzes, in which new underage players can be introduced to the game in a fun non-competitive environment

It is important to remove the emphasis from winning during blitzes. A policy of fun and fairplay should be adopted in relation to blitzes and the competitive nature reduced or removed. Children quit sport due to no fun, not playing and friends dropping out.

Blitzes should be used to provide fun, exciting and challenging games for our young players. Each player should go home having played at least two games and more importantly having touched the ball. It is also a good idea to have a small prize for each child who participates.

Coaching

Coaching is a critical part of development and all coaches should be encouraged to take part in regular coaching courses. Courses provide coaches with new coaching information and policies and ensure a high quality standard of coaching is maintained. Each County/Club should introduce a Coaching Policy, which outlines that all new mentors should undergo a coaching course and the County/Club will provide at least one coaching course per year.

Courses are widely available in every County/Club and are a useful tool for recruiting new volunteers.

1. FUNDamentals Coaching Course

This is the first stage of the Coaching Ladder and aims to provide an introduction for coaching at all levels of Ladies Gaelic Football. There are no necessary requirements to undertake a FUNDamentals course.

2. Level 1 Coaching Course

The second step on the Coaching Ladder provides a more in depth and specific training for coaches. Prior to undertaking Level 1, a coach must have completed a FUNDamentals course and must be coaching for at least 1 year with a Ladies Gaelic Football team.
